Number of users/employees in scope									
Number of users/employees in scope									
200 – this is to be done on a monthly basis									

Clarification	KenyaRe Response
Other than the Wi-Fi testing, is there any service to be conducted on the premises?	The details are as per the tender document.
Please clarify whether the Comprehensive OEM based training for at least 2 ICT security staff, ought to be Virtual or Physical as outlined in ITT 35 Item 5.	The training is expected to be physical.
<p>Internal Assessment List the number of systems in scope for each category below</p> <ol style="list-style-type: none"> 1. Servers 2. workstations 3. Network Devices 4. Databases <p>Please comment on any other category that will be part of the internal assessment</p>	This has been answered above
<p>External Assessment Please advise on the number of external IPs to be tested</p>	This is covered in the question above – about the main domain and sub-domains.
<p>Application Assessment Please advise on the number of Core Business Applications to be tested</p> <ol style="list-style-type: none"> 1. Applications 2. Web Apps 3. Mobile Apps <p>If these applications are part of the Internal IP also advise.</p>	This has been addressed in the question above.

Clarification	KenyaRe Response
For the application above what number of this, indicate the number of off shelf applications and Custom applications List the applications marking them as offshelf or custom applications?	The applications are off shelf – with customizations with business needs.
API Assessment Approximate number of API endpoints	Approximately 3
Cloud Services <ul style="list-style-type: none"> Cloud Services Consumed (e.g EC2, Amazon RDS, Amazon SNS) Does your internal environment include Active Directory	Yes, it does
Online solution for Security Awareness Total Number of users to undertake the trainings	Covered in the question above.

The addendum has been sent to all bidders who have so far downloaded the respective tender documents. Any bidder who has not received their relevant addendum may download the same from the Kenya Re website www.kenyare.co.ke. All other conditions and requirements in the respective principal tender documents remain the same.

Prospective bidders may download the principal tender document from the Kenya Re website www.kenyare.co.ke free of charge

Tenders in sealed envelopes bearing the correct **tender number** should be deposited in the Tender Box located on the 16th floor of Reinsurance Plaza Aga Khan Walk Nairobi or be sent to: -
