# KENYA REINSURANCE CORPORATION LIMITED

It is the policy of the Kenya Reinsurance Corporation (Kenya Re) that information confidentiality, integrity, and availability requirements, needs and expectations of interested parties are identified and that information is protected through a systematic process of risk assessment and risk treatment to satisfy, as appropriate, interested parties and needs of the Corporation in consideration of its mission to provide risk management solutions that secure the future and create value for stakeholders.

To ensure the integration and effective management of information security practices within Kenya Re, an Information Security Management System (ISMS) has been established, implemented, maintained, and shall be continually improved in accordance with the requirements of ISO/IEC 27001. The management system shall be independently audited for conformity at least once annually and results reported to the Managing Director.

As part of this framework, measurable information security objectives shall be established and monitored in the Corporation at all departmental levels. The overall performance of the ISMS shall be reviewed by the Management at planned intervals, and at least once annually or in the event of significant changes to ensure the continuing suitability, adequacy, and effectiveness of the ISMS.

The Corporation is committed to:-

- Establishing, implementing, maintaining, and continually improving the ISMS in accordance with the requirements of ISO/IEC 27001,
- Establishing and reviewing Information Security objectives at all Functions,
- Managing of information security risks through risk assessment and treatment,
- Reviewing the ISMS at planned intervals and in the event of significant changes to ensure its continuing suitability, adequacy, and effectiveness, and
- Providing assurance to interested parties of the Corporation's information security capability and commitment in meeting their requirements and expectations though third-party audits.

This Policy shall be communicated and understood internally by all employees, and externally by all other stakeholders as well (through our website: <u>www.kenyare.co.ke</u>). It shall be reviewed for continuing suitability taking into account changing Information Security Management System requirements and other best practices.
